Waterproof

MATERIAL
PS Panel

Overview

A warm oak-look panel with fine linear grain and broad raised slats. Narrow recessed channels bring depth and an orderly rhythm to the wall. Made from waterproof PS, 3004 complements neutral upholstery, pale stone and dark accents in living rooms, bedrooms and office interiors.

Key Features

- | | |
|-----------------------|------------------------------|
| • Oak-Look Grain | Warm timber-style appearance |
| • Natural Brown Tone | Complements neutral palettes |
| • Raised Slat Profile | Adds depth and shadow |
